

Textiles in Year 1

In Year 1 the children explore textiles by:

1. Sorting and grouping threads and fabrics by colour and texture, length, size and shape.

2. Changing and modifying threads and fabrics by knotting, fraying, fringing, pulling threads, twisting, plaiting.

3. Creating fabrics (e.g. by weaving materials, grass through twigs, carrier bags on a bike wheel).

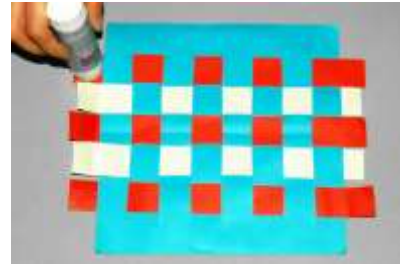

4. Making weavings with fabrics or threads.

5. Using weaving to create a pattern.

6. Cutting and shaping fabric using scissors.

7. Using glue to join fabrics.
