Bikeability

'I liked moving around the bike with my feet. I could even balance!' ALISTER'
'I am really good at stopping when the man said stop. I can use the breaks but sometimes I did use my feet. It was fun.' ISAAC

Scootlife

'I really liked going on the scooters because I don't have a scooter at home and I liked when we had to weave in and out of the cones.'
'We learnt to keep one foot on and one foot off and we learnt how to push our scooter forwards. We had to put both feet on the scooter to balance, look up and keep following the track. We went around the cones too!' DHILAN
'The man said go and stop and we had to make our scooters do the right thing. We also used brakes, I've never used them before! I was able to go backwards safely by checking over my shoulder. I learnt how to ride my scooter properly so now I can do the same at home.' ISLA

'The children were really engaged at the man was excellent with the children. The children demonstrated confidence when using the scooters and could follow all instructions well' MRS DIXON

Lunch club	<p>‘We have really enjoyed exploring the equipment with the children and they have enjoyed the games we have played. Lots of children have wanted to join in which has been great as we have been able to work on fitness and FMS. We have really enjoyed being able to access the field and we have been able to use the space to start playing football again.’ MHR</p> <p>‘I like joining in with the games when we are on the playground. I like it best when we can go on the field.’</p> 
Breakfast club	<p>‘Children have really enjoyed the variety of activities we have had on offer, specifically playing in the outdoor space. It sets them up for a successful day as it is a calming and active way to start the day.’ MHR</p> <p>‘I like going outside to play because I like going in the sun in the morning. I like playing with the Reception children too because I cant play with them at playtime.’ HARRY</p> <p>‘It’s fun when we play with the older children, I really like having time on the castle and when we play with lego.’ FREDDIE</p>  

Afterschool club	'I go to gymnastics and dance club after school. I really like to use the mats in gymnastics and I like when the teacher says we can show the rest of the children our balances and tricks. I learnt how to do a bridge there! AVINEET
