

The page is decorated with various autumn-themed illustrations. At the top, there are several leaves in shades of orange, red, and green, along with two acorns. On the left side, there are more leaves and a branch. On the right side, there are leaves and a branch. At the bottom, there are leaves, acorns, and a small flower.

# Autumn Term

During the Autumn Term we offer the children a rich and stimulating curriculum through a range of topics including, but not limited to:

- All About Me
- My Family
- The Little Red Hen
- People Who Help Us
- Diwali
- We're Going On A Bear Hunt
- Bonfire Night
- Autumn
- Yayoi Kusama
- Little Red Riding Hood
- Winter
- Christmas

In Literacy, we enjoy sharing a wealth of wonderful stories and rhymes as a stimulus for work. We develop a love of books and reading. During Read, Write Inc, we learn our letter sounds, and how to blend sounds together to read simple words. We explore mark making, and try to use initial sounds in our writing.

In Mathematics, we focus in detail on one number per week. We explore each number in depth following the maths mastery approach. We use Mastering Number to enhance our maths curriculum. We learn to subitise, read, write and count numbers accurately to 10.
