

# Spring Term

During the Spring Term, we will be learning through our exciting topics including, but not limited to:

- Frozen and Marvel
- Dinosaurs
- Luna New Year
- Three Billy Goats Gruff
- The Gingerbread Man
- Under the sea
- Up in the sky
- Space and aliens
- Hansel and Gretel
- Goldilocks and the Three Bears
- Spring
- Easter
- New Life

In Mathematics, we extend the children to recognise and write numbers beyond 10 whilst still embedding numbers to 10. We learn to add and subtract using cubes and on a number track. We explore the concepts of doubling and halving in practical situations.

The children begin to recall number bonds to 5.
