

Summer Term

During the Summer Term, we will continue to offer a stimulating curriculum through our wide range of topics including, but not limited to:

- Fruit
- Vegetables
- Supertato
- The Runaway Pea
- The Enormous Turnip
- The Princess and the Pea
- Zoo animals
- Life cycles

In Mathematics we learn to recall number bonds to 5. We become confident in solving addition and subtraction using a range of strategies. We continue to explore doubling and are introduced to odd and even numbers. We learn to recite to 100 and count in twos, fives and tens. We use our Mathematics knowledge to solve missing number problems.
