

## Year 1 Spine of Poetry, Rhymes & Songs

| Autumn 1                                           | Spring 1                                  | Summer 1                        |
|----------------------------------------------------|-------------------------------------------|---------------------------------|
| Naughty bus                                        | Jump Jim Joe                              | London bridge is falling down   |
| A tiny little apple seed                           | 4 layers of the rainforest                | Oranges & lemons                |
| Holly the hedgehog                                 | Deep in the rainforest                    | The Queen of Hearts             |
| Tasty food                                         | Tiger, tiger, orange & black              | The poor king                   |
| If you are grateful & you know it                  | Crocodile                                 | Old King Cole                   |
| Conkers                                            | The animals went in two by two            | Billy goats like grass so green |
| Autumn 2                                           | Spring 2                                  | Summer 2                        |
| Remember, remember the 5 <sup>th</sup> of November | This little piggy went to market          | In my little garden             |
| Two, one, zero (Barbara Ireson)                    | Three pigs jive                           | Who's in                        |
| We're going on a rocket ship                       | Tractor's busy day                        | When I was one (AA Milne)       |
| Five little men in a flying saucer                 | The cow                                   | Bungalow                        |
| Christmas songs (TBC)                              | Head, shoulders, knees & toes (in French) | Sail your silver boat           |
| Christmas songs (TBC)                              | You can tell it's spring                  | Footprints                      |
