

Spring Term

During the Spring Term, we will be learning through our exciting topics including, but not limited to:

- Frozen and Marvel
- Dinosaurs
- Lunar New Year
- The Enormous Turnip
- Three Billy Goats Gruff
- The Gingerbread Man
- Under the sea
- Up in the sky
- Up in space
- Andy Goldsworthy
- Goldilocks and the Three Bears
- Spring
- Easter

In Mathematics, we extend the children to recognise and write numbers beyond 10 whilst still embedding numbers to 10. We learn to add and subtract using cubes and on a number track. We explore the concepts of doubling and halving in practical situations. The children begin to recall number bonds to 5.
