## 1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

## 2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2024-5\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

## 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

## 4. Use of the grant

Whitestone uses a range of provision to support the needs of individuals. This may include:

- Reducing class sizes thus improving opportunities for effective teaching and accelerating progress in reading and other subjects where appropriate (SPP – EEF evidenced [guide published by the Education Endowment Foundation \(EEF\)](#))
- Providing small group work with an experienced teacher/teaching assistant focussed on overcoming gaps in learning
- Well-being support
- Nurture group provision (Owl's Nest)
- Resourced provision style area (Owlet's Sanctuary)
- Play therapy
- Drawing & talking therapy
- RWI 1:1 tuition (research based evidence from EEF)
- 1-1 support
- Parent Support Adviser
- Additional teaching and learning opportunities provided through trained TAs or external agencies
- All our work through the pupil premium will be aimed at accelerating progress, moving children to at least age-related expectations.
- Transition from infant to junior school.
- Additional learning support.

- Pay for all activities, educational visits and enrichment opportunities linked to the school offer. Ensuring children have first-hand experiences to use in their learning in the classroom.
- Support the funding of specialist learning software.
- PE provision
- Music provision
- Behaviour support

This list is not exhaustive and will change according to the needs and support required for individual disadvantaged pupils.

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online and using the templates on GOV.UK.

Our pupil premium strategy is available here: <https://www.whitestone-infantschool.co.uk/pupil-premium/>

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online, using the templates on GOV.UK.

Information on how the school uses the pupil premium is available here: <https://www.whitestone-infantschool.co.uk/pupil-premium/>

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception, Year 1 & Year 2.

Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

### 5.3 Post-looked after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### 5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces

- › Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- › In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

- › Identifying pupils whose attainment is not improving in response to interventions funded by the pupil premium, and highlighting these individuals to the senior leadership team
- › Sharing insights into effective practice with other school staff

## **6.4 Virtual school heads**

Virtual school heads are responsible for managing pupil premium funding for children looked after by a local authority, and allocating it to schools. Their responsibilities include, but are not limited to:

- Identifying the eligible looked after children and informing the local authority
- Making sure methods for allocating and spending ensure that looked after children benefit without delay
- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- Demonstrating how pupil premium funding is raising the achievement of looked after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.
